

So smart, it speaks for itself.

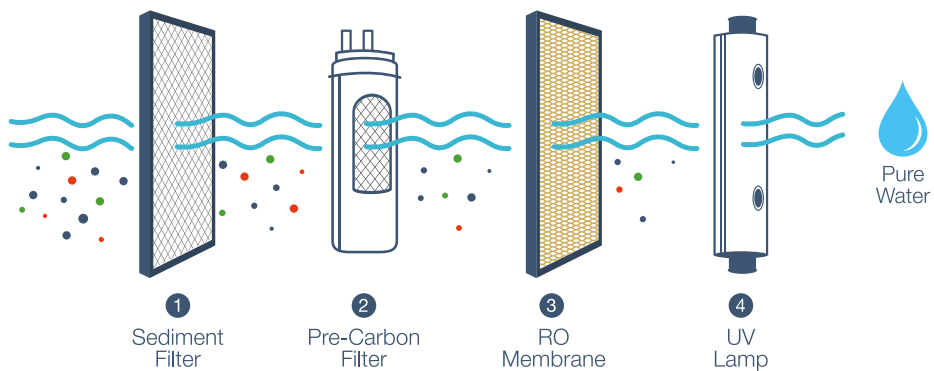

Edge

RO+UV Water Purifier
with Touch Screen & Speech Assist

Edge from Blue Star

Blue Star, India's leading air conditioning and commercial refrigeration company brings you Edge - an advanced and smart, touch screen enabled water purifier. Having quenched the thirst of billions with its range of water coolers and dispensers for over seven decades, Blue Star now introduces a water purifier for your home that combines advanced technologies - RO+UV - to give you water at its best. Apart from providing pure drinking water, Edge comes packed with features such as speech assist, filter change alerts, electronic water dispensing and more, to make life easy and comfortable.
