

Glass-top Chest Freezers

Display more. Sell more.

Glass-top Chest Freezers offer an economical freezing, storage and display solutions, all at the same time. Aesthetically crafted, they turn an ordinary display into a striking one. They are ideal for both small stores as well as modern-day large format departmental stores, and for use in parlours and eateries. The sides can be custom-branded to suit any particular product or company.

With lower power consumption, these freezers present perfect solutions that save money as well. Better insulation technology makes them ideal for sub-continental climates like ours. The easy-to-slide glass doors also make it easy for customers themselves to use the freezer.

Overall, it is a smart choice for the smart retailer!

FEATURES

-  Robust construction for heavy-duty use
-  Easy-slide glass door
-  Corrosion-resistant body
-  Tropicalised for high ambient temperatures
-  Locks in all models
-  High density PUF insulation for better holding time
-  Highly energy-efficient compressor
